NCRC 5th Annual Quality of Life Survey

Your continued feedback is critical in our ability to make improvements that will positively impact your work environment at NCRC. Please help us continue to evolve and grow by participating in this short survey.

Multiple amenities have changed and/or improved within NCRC since the introduction of the Quality of Life survey, five years ago. Your input gathered in this survey has helped shape the Wellness Center, Flavors Cafeteria, collaboration spaces, security, student internships, exterior improvements, kitchenette spaces, upgraded conference room equipment and visitor parking.

Announcements

• U-M Board of Regents approved a $160 million project - It will renovate four buildings at the North Campus Research Complex to give our clinical Pathology teams all-new facilities for processing millions of samples of blood, tissue, and much more.
• Foundation Funding for Faculty - The Howard Hughes Medical Institute (HHMI), the Bill & Melinda Gates Foundation, and the Simons Foundation are holding a joint national competition for grants to outstanding early career scientists as Faculty Scholars. This competition will strengthen the community of basic researchers and physician scientists who bring innovative approaches to the study of biological problems. Submission Deadline: July 28, 2015.
• South Entrance Update: The visitor parking kiosk and spaces will be installed this week in lot NC92 near Building 28.
• Ann Arbor Observer: From Crisis to Opportunity - How the U-M reinvented Pfizer
• Tech Tip: Many UMHS staff have successfully enrolled their mobile devices in AirWatch and are now accessing Outlook Exchange email, contacts, and calendar on their smartphones or tablets. To make sure that an appointment scheduled on your phone will also appear on your Outlook calendar when you are back at your workstation, the default calendar on your mobile device must be set to the “UMHS Exchange” calendar. Here are some other helpful tips for setting calendar appointments. If you have questions call 763-7770 or email msishelp@umich.edu.
