Michigan Institute for Clinical & Health Research (MICHR) Pilot Grant Program

MICHR's Pilot Grant Program seeks proposals from basic, clinical, and social scientists for bench-to-bedside and bedside-to-practice translational research. The goal is to promote development of novel solutions that will ultimately improve patient and community health outcomes. In addition to clinical and translational research, we welcome proposals for studies on health services, health outcomes, or health policy that inform practice, development and testing and new hypotheses or interventions, and proposals relevant to developing new methods or best practices.

In the previous 18 rounds of Pilot Grants, MICHR has awarded more than $19M, resulting in more than $202M in extramural funding.

Submission Deadline: 12:00 PM (NOON) on Friday, September 11, 2015

Click Here for more information.

• 9/29 - Learn the Basics of Budgeting for Research Grants at MICHRI Workshop

Announcements

• Undergraduate Research Opportunity Program (UROP) - Would you like help getting a new research project started or expediting a project currently in progress? We will have over 1200 UROP students ready to be your research apprentice in September. If you are interested learning more about UROP and how to engage a student in your research please join us at a UROP information Session on August 12th from 12:00PM - 1:00PM in room 1160 of the Undergraduate Science Building (USB) on central campus or complete the short application by August 20th, click here: http://www.lsa.umich.edu/urop/
• The M-Dining Cafe now accepting credit and debit cards!
• NCRC Art Exhibition - Abstract View: Detroit, Organized by The N’Namdi Center
• NCRC Art Exhibition - Glass Lily Garden by April Wagner
• Tech Tip: Does your department have websites that are on SiteMaker? Sitemaker is being decommissioned and the next major milestone for the SiteMaker Transition project takes place August 28 when all SiteMaker sites will become “read-only.” Sites will remain accessible for viewing, but after that date, no edits will be possible. Follow this link to find out more about what options are available to you. Please contact the ITS Service Center if you have questions or concerns.
• Michigan Dining NCRC Cafeteria Menu and Catering Contact

Reminders

• Office, Lab and Catering Deliveries - All deliveries using a cart must come through the Building 90 dock or South entrance of Building 520. Small deliveries may be carried through the lobby as long as no cart is required.
• Please remember to show your U-M ID to the student or security guard at the reception desk of the visitor entrances during hours when the door is unlocked. If you have forgotten your U-M ID you will be asked to sign in. All guests and visitors to the building will be asked to sign in as well.
• Don’t risk missing grant deadlines or losing funds! Did you know that National Institutes of Health (NIH) grant applications will be withdrawn 30 days after submission if key personnel's
disclosures are not current? Did you know your funding cannot be released until all key personnel have completed their annual disclosures? **Log-in and complete your disclosure today!**

- A PNC ATM is scheduled to be installed in Building 18, Ground Floor near the Mcard office in August.
- **Notary Service offered at NCRC!**
