Picasso Visiting Vendor & Updates

A thank you message from one of the Picasso Restaurant Group owners, Allen Attee.

Picasso at NCRC in Building 18 will host their very first visiting vendor on Friday, November 6th... Earthen Jar!

Picasso also plans to open the Building 520 venue the week of November 9th! Along with a renovation of the entire space, there will be a new full service Starbucks station and a new popcorn machine. They will also be carrying a variety of snacks, grab n’ go items, soups, beverages and sundries.

The tentative hours of operation are 8:00AM to 3:00PM.

Picasso does need help with one last thing, the name for the Building 520 venue! We are asking occupants to participate by emailing us their suggested name and in return, the name chosen will win a free week of lunches.

To submit your entry, please click here.

The deadline to submit your entry is Friday, November 13th.

Facilities

- 2800 Site: Scheduled Electrical Shutdown
