

A Win–Win for Your Company and Your Employees

THE ADVANTAGES OF WORKING TOGETHER

PNC WorkPlace Banking is a turnkey program that enables your company to offer employees added benefits at no additional cost. Financial well-being can lead to a more satisfied, productive workforce — and when that happens, everyone benefits.

COMPANY BENEFITS

- Helps to increase employee participation in your direct deposit program, reducing your related payroll costs
- Enhanced benefits and financial education to help support employee well-being, satisfaction and retention
- Comprehensive financial services available to your company's employees, regardless of their location
- Custom promotional materials supplied by PNC to help communicate the benefits of WorkPlace Banking to your employees
- On-site and online financial education sessions to help employees achieve their financial goals
- PNC Bank relationship managers dedicated to your company

EMPLOYEE BENEFITS

- The convenience of direct deposit — knowing a paycheck is available the same day it's deposited
- A choice of checking accounts to meet individual needs
- Special offers on money management, credit card and mortgage products
- Refer a Co-Worker Rewards Program, which enables employees to earn cash for qualifying referrals*
- Free on-site and online financial education sessions

Benefits like these are why more than **40,000 employers** are participating in WorkPlace Banking today.
