New NCRC Student Receptionists

We would like to wish a warm welcome to our Fall Semester UM Student Receptionists!

We have 18 students this semester, ranging from Freshman to Graduate Students. Some of their studies include Engineering, Public Health and Sociology.

The students will be located in Building 16, 18, and 520 lobbies from 8:00am to 6:00pm, Monday - Friday. They can notify occupants when their guests arrive, help direct guests and visitors to their destination by providing maps, as well as notify occupants of lunch deliveries.

Our new students will need some time to get to know you and the buildings. Please feel free to speed up the process by introducing yourself and your group or department to them.

If you have any comments or questions, please email: ncrcfeedback@umich.edu
