NCRC Town Hall Tomorrow!

David Canter, Executive Director, invites you to attend an NCRC Town Hall. He will discuss past accomplishments and future goals of NCRC.

Community members are encouraged to participate in a question and answer session during the event as well.

Afterward, collaborate and mingle with your NCRC neighbors while enjoying a fall treat of caramel apples, donuts and cider!

NCRC, Dining Hall
Building 18
Tuesday, September 16th

Announcements

- A Call to Action for U-M Laboratories - The National Institutes of Health (NIH) has declared September 2014 to be National Biosafety Stewardship Month.
  
  As recommended by the NIH initiative, we are asking all U-M laboratories where biological research is performed to conduct an inventory of infectious agents and toxins in the lab and to provide a short report to the Institutional Biosafety Committee (IBC) by Friday, October 3, 2014. Full Story

- Tech Tip: Need to select some text to copy? You can drag your mouse around the screen to highlight the passage you want, but there’s an easier way. Double clicking on a word will highlight the entire word, and triple clicking will highlight an entire paragraph. Interested in more time saving tips?
